6th International Professional Geology Conference (6th IPGC) – Preliminary Programme

Legend	Ceremony / awards	Keynote	Parallel session (4 rooms)	Coffee break + poster session
Field trip	Lunch	Round table / discussion	Room change	No session

DAY 1 – Friday 15 October 2027

Time	Room 1 (Plenary)	Room 2	Room 3	Room 4
14:00 – 14:45	**OPENING CEREMONY – Welcome addresses: EFG, AGGE, Scientific partner, CERTE, FST · Room 1 (Plenary)**			
14:45 – 15:15	**Keynote 1 – speaker to be confirmed**			
15:15 – 15:45	**Keynote 2 – speaker to be confirmed**			
15:45 – 16:15	**COFFEE BREAK, EXIBITION & POSTER SESSION**		POSTER SESSION: Solid Earth, geophysics & observation T1 – Fundamental Geosciences, Geodynamics and Earth System Dynamics T2 – Applied Geophysics and Subsurface Characterization T8 – Earth Observation, Remote Sensing and Geospatial Technologies T15 – Planetary Geology	
16:15 – 17:45	Session 1.1: T8 – Earth Observation, Remote Sensing and Geospatial Technologies 6 presentations (10 + 5 min)	Session 1.1: T4 – Energy Transition, Geo-Energy and Subsurface Resources 6 presentations (10 + 5 min)	Session 1.1: T3 – Hydrogeology, Water Resources, Water Security and Climate Change 6 presentations (10 + 5 min)	Session 1.1: T1 – Fundamental Geosciences, Geodynamics and Earth System Dynamics 6 presentations (10 + 5 min)

DAY 2 – Saturday 16 October 2027

Time	Room 1 (Plenary)	Room 2	Room 3	Room 4
08:30 – 09:00	**Keynote 3 – speaker to be confirmed**	**Keynote 4 – speaker to be confirmed**	No session	No session
09:00 – 09:15	*Room change*			
09:15 – 10:45	Session 2.1: T13 – Geosciences, Policy, Ethics and Public Engagement 6 presentations (10 + 5 min)	Session 2.1: T15 – Planetary Geology 6 presentations (10 + 5 min)	Session 2.1: T5 – Mineral Resources, Critical Raw Materials and Responsible Mining 6 presentations (10 + 5 min)	Session 2.1: T10 – Marine, Coastal and Mediterranean Geosciences and Climate Risks 6 presentations (10 + 5 min)

10:45 – 11:15	**COFFEE BREAK, EXIBITION & POSTER SESSION**		POSTER SESSION: Georesources, energy & digital T4 – Energy Transition, Geo-Energy and Subsurface Resources T5 – Mineral Resources, Critical Raw Materials and Responsible Mining T14 – Artificial Intelligence, Machine Learning, Big Data and Digital Geosciences	
11:15 – 12:45	Session 2.2: T6 – Environmental Geosciences, Contamination, Remediation and Ecosystem Sustainability 6 presentations (10 + 5 min)	Session 2.2: T9 – Engineering Geology, Geotechnics and Sustainable Infrastructure 6 presentations (10 + 5 min)	Session 2.2: T2 – Applied Geophysics and Subsurface Characterization 6 presentations (10 + 5 min)	Session 2.2: T14 – Artificial Intelligence, Machine Learning, Big Data and Digital Geosciences 6 presentations (10 + 5 min)
12:45 – 14:15	**LUNCH BREAK**			
14:15 – 15:45	Session 2.3: T4 – Energy Transition, Geo-Energy and Subsurface Resources 6 presentations (10 + 5 min)	Session 2.3: T7 – Natural Hazards, Risk Assessment, Societal Resilience and Climate Adaptation 6 presentations (10 + 5 min)	Session 2.3: T12 – Geoscience Education and Public Communication 6 presentations (10 + 5 min)	Session 2.3: T1 – Fundamental Geosciences, Geodynamics and Earth System Dynamics 6 presentations (10 + 5 min)
15:45 – 16:15	**COFFEE BREAK, EXIBITION & POSTER SESSION**		POSTER SESSION: Water, environment & hazards T3 – Hydrogeology, Water Resources, Water Security and Climate Change T6 – Environmental Geosciences, Contamination, Remediation and Ecosystem Sustainability T7 – Natural Hazards, Risk Assessment, Societal Resilience and Climate Adaptation T10 – Marine, Coastal and Mediterranean Geosciences and Climate Risks	
16:15 – 17:45	Session 2.4: T8 – Earth Observation, Remote Sensing and Geospatial Technologies 6 presentations (10 + 5 min)	Session 2.4: T5 – Mineral Resources, Critical Raw Materials and Responsible Mining 6 presentations (10 + 5 min)	Session 2.4: T3 – Hydrogeology, Water Resources, Water Security and Climate Change 6 presentations (10 + 5 min)	Session 2.4: T11 – Geoheritage, Geoconservation and Geotourism 6 presentations (10 + 5 min)

DAY 3 – Sunday 17 October 2027

Time	Room 1 (Plenary)	Room 2	Room 3	Room 4
08:30 – 09:00	**Keynote 5 – speaker to be confirmed**	**Keynote 6 – speaker to be confirmed**	No session	No session
09:00 – 09:15	*Room change*			

09:15 – 10:45	Session 3.1: T2 – Applied Geophysics and Subsurface Characterization 6 presentations (10 + 5 min)	Session 3.1: T9 – Engineering Geology, Geotechnics and Sustainable Infrastructure 6 presentations (10 + 5 min)	Session 3.1: T14 – Artificial Intelligence, Machine Learning, Big Data and Digital Geosciences 6 presentations (10 + 5 min)	Session 3.1: T10 – Marine, Coastal and Mediterranean Geosciences and Climate Risks 6 presentations (10 + 5 min)
10:45 – 11:15	**COFFEE BREAK, EXIBITION & POSTER SESSION**		POSTER SESSION: Infrastructure, heritage & society T9 – Engineering Geology, Geotechnics and Sustainable Infrastructure T11 – Geoheritage, Geoconservation and Geotourism T12 – Geoscience Education and Public Communication T13 – Geosciences, Policy, Ethics and Public Engagement	
11:15 – 12:45	**CLOSING CEREMONY – Round table · Room 1 (Plenary)**			
12:45 – 13:30	**AWARDS – Trophies and certificates · Room 1 (Plenary)**			
13:30 – 15:00	**CLOSING LUNCH (start time to be confirmed)**			

DAY 4 – Monday 18 October 2027 · Field trip

Time	Programme
08:00 – 08:30	**Departure from Hammamet (meeting point to be confirmed)**
08:30 – 17:30	**FIELD TRIP – destination, geological stops and lunch to be confirmed**
17:30 – 18:00	**Return to Hammamet (times are indicative)**
